### II. Source and Amount of Funding

|   |                       |
|---|-----------------------|
| Federal Through State grant funds from Tennessee Department of Human Services (DHS) | \$1,473,891.00        |
| Local Match   | \$ 0                  |
| Total Program Expenditures  | <u>\$1,473,891.00</u> |

### III. Additional Information Relevant to Approval of this Item

The long-standing agreement between Juvenile Court and DHS for the provision of child support enforcement services will cease effective June 30, 2009. Maximus Human Services, a private provider and successful bidder to the RFP issued by DHS will take over child support enforcement operations effective July 1, 2009. The loss of the contract included the loss of support positions responsible for final case handling for court hearings.

To maximize resources and improve the level of services to the local child support clients, it is necessary to allow all cases to be heard in Juvenile Court rather than allocating proportionate number of cases to Chancery and Circuit Courts.

In order for Juvenile Court to handle all of the court hearings of child support cases and maintain its statutorily mandated functions, it is necessary to obtain additional resources to support the child support court operations. The grant agreement in the amount of \$1,473,891.00 will serve this purpose by providing the following resources:

|                   |              |
|-------------------|--------------|
| • Personnel       | \$919,056.00 |
| • Fringe Benefits | \$317,104.00 |
| • O&M resources   | \$135,500.00 |
| • Indirect costs  | \$102,231.00 |

Upon a determination by the State that the Grantee has failed to attain the requisite percentage specified in Section A.6. and A.7., the Grantee will be notified of such and will be given ninety (90) days in which to take all necessary corrective action so as to allow the Grantee to attain the threshold required. If, after the ninety (90) day corrective action period, the Grantee is still unable to properly perform its obligations under this Grant Contract, the State shall consider terminating the Grant Contract as provided for in Section D.4.

If the term extension necessitates additional funding beyond that which was included in the original Grant Contract, such funding will also be effected through an amendment.

The Grant Budgets, attached and incorporated herein as a part of this Grant Contract as Attachments A and A-1, shall constitute the maximum amount due the Grantee for the service and all of the Grantee's obligations hereunder. The Grant Budget line-items include, but are not limited to, all applicable taxes, fees, overhead, and all other direct and indirect costs incurred or to be incurred by the Grantee.
- C.2. Compensation Firm. The maximum liability of the State is not subject to escalation for any reason unless amended. The Grant Budget amounts are firm for the duration of the Grant Contract and are not subject to escalation for any reason unless amended, except as provided in Section C.6.
- C.3. Payment Methodology. The Grantee shall be compensated for actual, reasonable, and necessary costs based upon the Grant Budget, not to exceed the maximum liability established in Section C.1. Upon progress toward the completion of the work, as described in Section A of this Grant Contract, the Grantee shall submit invoices prior to any reimbursement of allowable costs.
- C.4. Travel Compensation. Reimbursement to the Grantee for travel, meals, or lodging shall be subject to amounts and limitations specified in the "State Comprehensive Travel Regulations," as they are amended from time to time and shall be contingent upon and limited by the Grant Budget funding for said reimbursement.
- C.5. Invoice Requirements. The Grantee shall invoice the State no more often than monthly, with all necessary supporting documentation, to:

  - (9) Grantee Remittance Address;
  - (10) Grantee Contact (name, phone, and/or fax for the individual to contact with invoice questions);
  - (11) Complete Itemization of Reimbursement Requested for the Invoice Period, which shall detail, at minimum, the following:
    - i. Reimbursement Amount Requested by Grant Budget Line-Item for the invoice period (including any travel expenditure reimbursement requested in accordance with and attaching to the invoice appropriate documentation and receipts as required by the above-referenced "State Comprehensive Travel Regulations");
    - ii. Amount Reimbursed by Grant Budget Line-Item to Date;
    - iii. Total Amount Reimbursed under the Grant Contract to Date; and
    - iv. Total Reimbursement Amount Requested (all line-items) for the invoice period.

- (1) include only reimbursement requests for actual, reasonable, and necessary expenditures required in the delivery of service described in Grant Contract Section A subject to the Grant Budget and any other provision of this Grant Contract relating to allowable reimbursements; and
  - (2) not include any reimbursement requests for future expenditures.
- c. The Grantee agrees that timeframe for reimbursement begins when the State is in receipt of each invoice meeting the minimum requirements above.
- d. The Grantee shall complete and sign a "Substitute W-9 Form" provided to the Grantee by the State. The taxpayer identification number contained in the Substitute W-9 submitted to the State shall agree to the Federal Employer Identification Number or Social Security Number referenced in this Grant Contract for the Grantee. The Grantee shall not invoice the State under this Grant Contract until the State has received this completed form.
- e. The Grantee shall submit invoices within Forty-Five (45) days after the end of the calendar month in which the subject costs were incurred or services were rendered by the Grantee. Invoices submitted more than Forty-Five (45) days after such date will NOT be paid. The State will not deem such Grantee costs to be allowable and reimbursable by the State unless, at the sole discretion of the State, the failure to submit a timely invoice is warranted. The Grantee shall submit a special, written request for reimbursement with any such untimely invoice. The request must detail the reason the invoice is untimely as well as the Grantee's plan for submitting future invoices as required, and it must be signed by a Grantee agent that would be authorized to sign this Grant Contract
- C.6. Budget Line-items. Expenditures, reimbursements, and payments under this Grant Contract shall adhere to the Grant Budget. The Grantee may request revisions of Grant Budget line-items by letter, giving full details supporting such request, provided that such revisions do not result in funding for a line-item that was previously funded at zero dollars (\$0.00) and do not increase the total Grant amount. Grant Budget line-item revisions may not be made without prior, written approval of the State in which the terms of the approved revisions are explicitly set forth. Any such approval shall be superseded by a subsequent revision of the Grant Budget by contract amendment, and any increase in the total Grant amount shall require a contract amendment.
- C.7. Disbursement Reconciliation and Close Out. The Grantee shall submit a final invoice and grant disbursement reconciliation report within Forty-Five (45) days of the Grant Contract end date and in form and substance acceptable to the State.

- a. The Grant Budget specifies a Grantee Match Requirement and the final grant disbursement reconciliation report shall detail all Grantee expenditures recorded to meet said requirement.
    - i. No Grantee expenditure shall be recorded and reported toward meeting a Grantee Match Requirement of more than one grant contract with the state of Tennessee.
    - ii. The final grant disbursement reconciliation report shall specifically detail the exact amount of any Grantee failure to meet a Match Requirement, and the maximum total amount reimbursable by the State pursuant to this Grant Contract, as detailed by the Grant Budget column "Grant Contract," shall be reduced by the amount that the Grantee failed to contribute to the Total Project as budgeted.
  - b. If total disbursements by the State pursuant to this Grant Contract exceed the amounts permitted by the Section C, Payment Terms and Conditions of this Grant Contract (including any adjustment pursuant to section C.7.a.ii. above), the Grantee shall refund the difference to the State. The Grantee shall submit said refund with the final grant disbursement reconciliation report.
  - c. The State shall not be responsible for the payment of any invoice submitted to the state after the final invoice and grant disbursement reconciliation report. The State will not deem any Grantee costs submitted for reimbursement after the final invoice to be allowable and reimbursable by the State, and such invoices will NOT be paid.
  - d. The Grantee's failure to provide a final grant disbursement reconciliation report to the state as required shall result in the Grantee being deemed ineligible for reimbursement under this Grant Contract, and the Grantee shall be required to refund any and all payments by the state pursuant to this Grant Contract.
  - e. The Grantee must close out its accounting records at the end of the grant period in such a way that reimbursable expenditures and revenue collections are NOT carried forward.
- C.8. Indirect Cost. Should the Grantee request reimbursement for indirect cost, the Grantee must submit to the State a copy of the indirect cost rate approved by the cognizant federal agency and the State. The Grantee will be reimbursed for indirect cost in accordance with the approved indirect cost rate to amounts and limitations specified in the attached Grant Budget. Once the Grantee makes an election and treats a given cost as direct or indirect, it must apply that treatment consistently and may not change during the grant period. Any changes in the approved indirect cost rate must have prior approval of the cognizant federal agency and the State. If the indirect cost rate is provisional during the term of this agreement, once the rate becomes final, the Grantee agrees to remit any overpayment of funds to the State, and subject to the availability of funds the State agrees to remit any underpayment to the Grantee.
- C.9. Cost Allocation. If any part of the costs to be reimbursed under this Grant Contract are joint costs involving allocation to more than one program or activity, such costs shall be allocated and reported in accordance with the provisions of Department of Finance and Administration Policy Statement 03 or any amendments or revisions made to this policy statement during the Grant Contract period.
- C.10. Payment of Invoice. The payment of the invoice by the State shall not prejudice the State's right to object to or question any invoice or matter in relation thereto. Such payment by the State shall neither be construed as acceptance of any part of the work or service provided nor as an approval of any of the costs invoiced therein.
- C.11. Unallowable Costs. The Grantee's invoice shall be subject to reduction for amounts included in any invoice or payment theretofore made which are determined by the State, on the basis of audits or monitoring conducted in accordance with the terms of this Grant Contract, not to constitute allowable costs.

- C.12. Deductions. The State reserves the right to deduct from amounts which are or shall become due and payable to the Grantee under this or any Contract between the Grantee and the State of Tennessee any amounts which are or shall become due and payable to the State of Tennessee by the Grantee.
- C.13. Automatic Deposits. The Grantee shall complete and sign an "Authorization Agreement for Automatic Deposit (ACH Credits) Form." This form shall be provided to the Grantee by the State. Once this form has been completed and submitted to the State by the Grantee all payments to the Grantee, under this or any other contract the Grantee has with the State of Tennessee shall be made by Automated Clearing House (ACH). The Grantee shall not invoice the State for services until the Grantee has completed this form and submitted it to the State.

- D.16. Annual Report and Audit. The Grantee shall prepare and submit, within nine (9) months after the close of the reporting period, an annual report of its activities funded under this Grant Contract to the commissioner or head of the Granting agency, the Tennessee Comptroller of the Treasury, and the Commissioner of Finance and Administration. The annual report for any Grantee that receives five hundred thousand dollars (\$500,000) or more in aggregate federal and state funding for all its programs shall include audited financial statements. All books of account and financial records shall be subject to annual audit by the Tennessee Comptroller of the Treasury or the Comptroller's duly appointed representative. When an audit is required, the Grantee may, with the prior approval of the Comptroller, engage a licensed independent public accountant to perform the audit. The audit contract between the Grantee and the licensed independent public accountant shall be on a contract form prescribed by the Tennessee Comptroller of the Treasury. Any such audit shall be performed in accordance with generally accepted government auditing standards, the provisions of OMB Circular A-133, if applicable, and the *Audit Manual for Governmental Units and Recipients of Grant Funds* published by the Tennessee Comptroller of the Treasury. The Grantee shall be responsible for reimbursement of the cost of the audit prepared by the Tennessee Comptroller of the Treasury, and payment of fees for the audit prepared by the licensed independent public accountant. Payment of the audit fees of the licensed independent public accountant by the Grantee shall be subject to the provisions relating to such fees contained in the prescribed contract form noted above. Copies of such audits shall be provided to the designated cognizant state agency, the State Granting Department, the Tennessee Comptroller of the Treasury, and the Department of Finance and Administration and shall be made available to the public.
- D.17. Procurement. If the other terms of this Grant Contract allow reimbursement for the cost of goods, materials, supplies, equipment, and/or contracted services, such procurement shall be made on a competitive basis, including the use of competitive bidding procedures, where practical. The Grantee shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Grant Contract. In each instance where it is determined that use of a competitive procurement method was not practical, said documentation shall include a written justification for such decision and non-competitive procurement. Further, if such reimbursement is to be made with funds derived wholly or partially from federal sources, the determination of cost shall be governed by and reimbursement shall be subject to the Grantee's compliance with applicable federal procurement requirements.
- The Grantee shall obtain prior approval from the State before purchasing any equipment under this Grant Contract.
- D.18. Strict Performance. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.19. Independent Contractor. The parties hereto, in the performance of this Grant Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one

party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Grantee, being a political subdivision of the State, is governed by the provisions of the Tennessee Government Tort Liability Act, *Tennessee Code Annotated*, Sections 29-20-101 *et seq.*, for causes of action sounding in tort. Further, no contract provision requiring a Tennessee political entity to indemnify or hold harmless the State beyond the liability imposed by law is enforceable because it appropriates public money and nullifies governmental immunity without the authorization of the General Assembly.

- D.20. State Liability. The State shall have no liability except as specifically provided in this Grant Contract.
- D.21. Force Majeure. The obligations of the parties to this Grant Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.
- D.22. State and Federal Compliance. The Grantee shall comply with all applicable state and federal laws and regulations in the performance of this Grant Contract.
- D.23. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.
- D.24. Completeness. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Grant Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.
- D.25. Severability. If any terms and conditions of this Grant Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Grant Contract are declared severable.
- D.26. Headings. Section headings are for reference purposes only and shall not be construed as part of this Grant Contract.
- E. SPECIAL TERMS AND CONDITIONS:**
  - E.1. Conflicting Terms and Conditions. Should any of these special terms and conditions conflict with any other terms and conditions of this Grant Contract, these special terms and conditions shall control.
  - E.2. Communications and Contacts. All instructions, notices, consents, demands, or other communications required or contemplated by this Grant Contract shall be in writing and shall be made by certified, first class mail, return receipt requested and postage prepaid, by overnight courier service with an asset tracking system, or by EMAIL or facsimile transmission with recipient confirmation. Any such communications, regardless of method of transmission, shall be addressed to the respective party at the appropriate mailing address, facsimile number, or EMAIL address as set forth below or to that of such other party or address, as may be hereafter specified by written notice.

All instructions, notices, consents, demands, or other communications shall be considered effectively given upon receipt or recipient confirmation as may be required.

- E.3. Subject to Funds Availability. The Grant Contract is subject to the appropriation and availability of State and/or Federal funds. In the event that the funds are not appropriated or are otherwise unavailable, the State reserves the right to terminate the Grant Contract upon written notice to the Grantee. Said termination shall not be deemed a breach of Contract by the State. Upon receipt of the written notice, the Grantee shall cease all work associated with the Grant Contract. Should such an event occur, the Grantee shall be entitled to compensation for all satisfactory and authorized services completed as of the termination date. Upon such termination, the Grantee shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- E.4. Voluntary Buyout Program. The Grantee acknowledges and understands that, for a period of two years beginning August 16, 2008, restrictions are imposed on former state employees who received a State of Tennessee Voluntary Buyout Program (VBP) severance payment with regard to contracts with state agencies that participated in the VBP.
- a. The State will not contract with either a former state employee who received a VBP severance payment or an entity in which a former state employee who received a VBP severance payment or the spouse of such an individual holds a controlling financial interest.
  - b. The State may contract with an entity with which a former state employee who received a VBP severance payment is an employee or an independent contractor. Notwithstanding the foregoing, the Grantee understands and agrees that there may be unique business circumstances under which a return to work by a former state employee who received a VBP severance payment as an employee or an independent contractor of a State grantee would not be appropriate, and in such cases the State may refuse Grantee personnel. Inasmuch, it shall be the responsibility of the State to review Grantee personnel to identify any such issues.
  - c. With reference to either subsection a. or b. above, a grantee may submit a written request for a waiver of the VBP restrictions regarding a former state employee and a contract with a state agency that participated in the VBP. Any such request must be submitted to the State in the form of the *VBP Contracting Restriction Waiver Request* format available from the State and the Internet at:  
[www.state.tn.us/finance/rds/ocr/waiver.html](http://www.state.tn.us/finance/rds/ocr/waiver.html). The determination on such a request shall be at the sole discretion of the head of the state agency that is a Party to this Grant Contract, the Commissioner of Finance and Administration, and the Commissioner of Human Resources.
- E. 5. State Furnished Property. The Grantee shall be responsible for the correct use, maintenance, and protection of all articles of nonexpendable, tangible, personal property furnished by the State

for the Grantee's temporary use under this Grant Contract. Upon termination of this Grant Contract, all property furnished shall be returned to the State in good order and condition as when received, reasonable use and wear thereof excepted. Should the property be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the residual value of the property at the time of loss.

- E. 6. State Interest in Equipment. The Grantee shall take legal title to all equipment and to all motor vehicles, hereinafter referred to as "equipment," purchased totally or in part with funds provided under this Grant Contract, subject to the State's equitable interest therein, to the extent of its *pro rata* share, based upon the State's contribution to the purchase price. "Equipment" shall be defined as an article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds \$5,000.00.

As authorized by the provisions of the terms of the Tennessee Uniform Commercial Code — Secured Transaction, found at Title 47, Chapter 9 of the *Tennessee Code Annotated*, and the provisions of the Tennessee Motor Vehicle Title and Registration Law, found at Title 55, Chapter 1 of the *Tennessee Code Annotated*, an intent of this Grant document and the parties hereto is to create and acknowledge a security interest in favor of the State in the equipment and/or motor vehicles acquired by the Grantee pursuant to the provisions of this Grant document. A further intent of this Grant document is to acknowledge and continue the security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this program's prior year Grants between the State and the Grantee.

The Grantee hereto grants the State a security interest in said equipment. This agreement is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the equipment herein specified which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Grantee hereby grants the State a security interest in said equipment. The Grantee agrees that the State may file this Grant Contract or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Grantee agrees to execute and deliver to the State, upon the State's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Grant Contract in such form as the State may require to perfect a security interest with respect to said equipment. The Grantee shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the State may reasonably require. Without the prior written consent of the State, the Grantee shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said equipment, including replacements and additions thereto. Upon the Grantee's breach of any covenant or agreement contained in this Grant Contract, including the covenants to pay when due all sums secured by this Grant Contract, the State shall have the remedies of a secured party under the Uniform Commercial Code and, at the State's option, may also invoke the remedies herein provided.

The Grantee agrees to be responsible for the accountability, maintenance, management, and inventory of all property purchased totally or in part with funds provided under this Grant Contract. The Grantee shall maintain a perpetual inventory system for all equipment purchased with funds provided under this Grant Contract and shall submit an inventory control report which must include, at a minimum, the following:

- a. Description of the equipment;
- b. Manufacturer's serial number or other identification number, when applicable;
- c. Consecutive inventory equipment tag identification;
- d. Acquisition date, cost, and check number;
- e. Fund source, State grant number, or other applicable fund source identification;
- f. Percentage of state funds applied to the purchase;
- g. Location within the Grantee's operations where the equipment is used;
- h. Condition of the property or disposition date if Grantee no longer has possession;
- i. Depreciation method, if applicable; and
- j. Monthly depreciation amount, if applicable.

The Grantee shall tag equipment with an identification number which is cross referenced to the equipment item on the inventory control report. The Grantee shall inventory equipment annually. The Grantee must compare the results of the inventory with the inventory control report and investigate any differences. The Grantee must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.

The Grantee shall submit its inventory control report of all equipment purchased with funding through this grant within forty-five (45) days of the Grant Contract end date and in form and substance acceptable to the State. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control. The Grantee shall notify the State, in writing, of any equipment loss describing reason(s) for the loss. Should the equipment be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the *pro rata* amount of the residual value at the time of loss based upon the State's original contribution to the purchase price.

Upon termination of the Grant Contract, where a further contractual relationship is not entered into, or at another time during the term of the Grant Contract, the Grantee shall request written approval from the State for any proposed disposition of equipment purchased with Grant funds. All equipment shall be disposed of in such a manner as parties may agree from among alternatives approved by Tennessee Department of General Services as appropriate and in accordance with any applicable federal laws or regulations.

- E.8. Environmental Tobacco Smoke. Pursuant to the provisions of the federal "Pro-Children Act of 1994" and the Tennessee "Children's Act for Clean Indoor Air of 1995," the Grantee shall prohibit smoking of tobacco products within any indoor premises in which services are provided to individuals under the age of eighteen (18) years. The Grantee shall post "no smoking" signs in appropriate, permanent sites within such premises. This prohibition shall be applicable during all hours, not just the hours in which children are present. Violators of the prohibition may be subject to civil penalties and fines. This prohibition shall apply to and be made part of any subcontract related to this Grant Contract.
- E.9. Printing Authorization. The Grantee agrees that no publication coming within the jurisdiction of *Tennessee Code Annotated*, Section 12-7-101, *et seq.*, shall be printed unless a printing authorization number has been obtained and affixed as required by *Tennessee Code Annotated*, Section 12-7-103 (d).
- E.10. Confidentiality of Records. The Grantee agrees that strict standards of confidentiality of records shall be maintained in accordance with State and Federal law and regulations (Reference TCA Section 71-1 -13 1, Section 71 -3 -119 and all other applicable State and Federal law and regulations).
- E.10.a. All material and information provided to the Grantee by the State or acquired by the Grantee on behalf of the State whether verbal, written, magnetic tape, cards or otherwise shall be regarded as confidential information in accordance with the provisions of State law and ethical standards and shall not be disclosed, except as otherwise permitted by law, regulation or court order, and all necessary steps shall be taken by the Grantee to safeguard the confidentiality of such material or information in conformance with Federal and State law and ethical standards.
- E.10.b. The Grantee further agrees that any information provided by the State relative to applicants or recipients of public assistance is to be used only for the administration of this Grant Contract or in any investigation, prosecution, or criminal, administrative or civil proceeding, conducted pursuant to this Grant Contract. The Grantee agrees to provide safeguards to restrict the use or disclosure of any information concerning such applicants or recipients to purposes stated in this section.
- E.10.c. The safeguards so provided shall also prohibit disclosure to any legislator, legislative or other committee or legislative body, of any information which identifies by name or address any such applicant or recipient, except as otherwise permitted by law.
- E.10.d. The Grantee agrees that any Federal or State tax related information will be treated as confidential, and will be used solely for purposes of administering the child support program, unless otherwise required by law.
- E.10.e. It shall be the Grantee's responsibility to ensure that any destruction of confidential information, as described in this section, will be accomplished in a manner consistent with State policy and Federal regulations pertaining to the destruction of private or confidential data.

E.10.f. The Grantee's obligations under this section do not apply to information; in the public domain; entering the public domain but not from a breach by the Grantee of this Grant Contract; previously possessed by the Grantee without written obligations to the State to protect it; acquired by the Grantee without written restrictions against disclosure from a third party which, to the Grantee's knowledge, is free to disclose the information; independently developed by the Grantee without the use of the State's information; or, disclosed by the State to others without restrictions against disclosure.

E.10.g. It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Grant Contract.
